

Airport Surface Safety at Bay Area Airports

The Office of Runway Safety is conducting a two part open discussion seminar on airport surface safety. We will begin with airport signs and markings. This session will include an interactive media portion which will "anonymously" reveal your skills and knowledge. We will also present and discuss Phraseology, Communications, and Procedures used by Air Traffic Control.

Directions: The FAA Golden Gate District Office is just off of Earhart Road at the Oakland Metropolitan International Airport

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
